

Dear Fellow Workers for His Kingdom: .

We pray a lot of your churches take advantage of the up coming events of Bible Quiz and AwanaGames in the coming months. We will be sending you out information, registrations, rules books for these events AND POSTING THEM ON OUR WEB PAGE VERY SHORTLY.

Before we do that however we need to be sure everyone understand the NEW requirements form Awana HQ concerning events

Forms and important stuff...

Surely, in heaven there will be no paperwork other than the Book of Life. But alas, on earth.....

Attached to this email are forms that are required for ALL Awana Iowa events. Please read this information carefully, and consult with your Commander or Pastor if necessary. If you have any questions, please contact Ron.

NOTE: These forms are REQUIRED—NO EXCEPTIONS! If we have a child on a rooster form without the signed parents permission slip YOU will be the one that has to tell that child they can not compete, so please come prepared with a signed form for every child at every event.. While we don't enjoy making more paperwork for clubs, in today's legal environment, these are required for the protection of our ministry, and more importantly, for the protection of our kids. Please help us out and come prepared with these forms signed. Ask Ron if you have any questions about these forms

Parent Permission Slip/Media Release Form

All event participants are required to have a Parent Permission Slip/Medical Release Form to participate in events. A **release from your church is no longer acceptable**—we must have **one (of ours) for every participant at each individual event!** This form will be turned in at check-in before every Awana event. For example, if you completed one at AwanaGames, a new form is also required for Bible Quiz, even if it is just a month later. Also, please note that this form only releases Awana Clubs International for the event, not your local church. We HIGHLY encourage you to have a separate one for your church that fits your church's legal requirements.

No names or identifying information will be posted about any child on the state website. If a parent does not want to sign the media release portion of the form, please clearly mark out that portion with a black marker. At the event, it will be the coach's responsibility to inform the missionary or ministry team of the child who cannot be photographed so we do not post their photo on our website. Parents will be taking pictures at our events and we can not be responsible for what pictures they take and what THEY do with them.

Day Event Volunteer Form

This is a one-time (good for one day) form for all Adult Volunteers to complete before serving at an Awana event. **All volunteers must be attendees actively involved in your local churches ministry for at least 6 months To be able to serve, the Awana club where you serve must be participating in the event and you must complete this form.** Please note that if you mark "Yes" in any of those five questions, you will not be able to serve at the event. We appreciate your willingness to make the event a great day for kids, but we cannot use you at this event. If you check YES. Please contact Ron if you have questions or would like to serve at other events. Please turn in completed Day Event Volunteer Forms at check-in.

NOTE: New this year! All Minors (under age 18) who are planning to serve at the event MUST have a parent/guardian complete and sign the Day Event Volunteer Agreement for them to be able to serve. Please help us out by having these forms completed before the event!

Event Participation Agreement

For veteran churches, the Event Participation Agreement is no longer required—there is no need to worry about it! For new churches, if you have no clue what this means, rejoice—you have one less form to complete! ☺

Don't forget you can support our Ministry and Help us, "Reach the Next Generation with the Gospel" we will be taking a offering at All Awana Bible quizzes so let your parents know THEY TO CAN help us....
"Reach the Next Generation with the Gospel."
